

Serge SVIZZERO

Professor of Economics

Date of birth : January 05, 1967 - *Place of birth* : Antibes, France.

Nationality : French

About

Serge Svizzero has a Ph.D in Economics (1994) from the University of Nice Sophia Antipolis (France). Since 1998 he is full Professor of Economics at the University of La Réunion (France) from which he has been President (Vice-chancellor) from 2004 to 2008. From 2009 to 2011 he joined IRD (French national Institute of Research for Development).

His **research interests** are on macroeconomics, economic globalisation, economic development, developing countries and economic history. He has published many papers in international journals (such as Oxford Economic Papers, Macroeconomic Dynamics, Journal of Economic Surveys, History of Economic Ideas), in collective books (Edward Elgar Publishers) and has co-published books on the effects of economic globalisation (Nova Science Publishers).

He is **editor-in-chief** of the peer-reviewed international journal *Business and Management Studies*, (Redfame Publishing), <http://redfame.com/journal/index.php/bms>

He is member of the editorial board of (peer-reviewed) international journals: *Economics & Sociology*; *Journal of Economics and Public Finance*; *Research in Applied Economics*, *American Journal of Indigenous Studies*, *International Journal of Research in Sociology and Anthropology*.

He is reviewer for the *Journal of Anthropological Archaeology*, the *Global Journal of Human-Social Science*, *Journal of Self-Governance and Management Economics*.

He is also member of the Research Committee of the *American Association for Economic Research*, <http://www.aa-er.org/researchcommittee> .

He is **expert** of research as well as education programs for various institutions, e.g. expert of European research programs for the German Federal Ministry of Education and Research (BMBF, <http://www.internationales-buero.de/en/>), of European education programs for Erasmus+ France, the Education & Training agency in France, (<http://www.agenceerasmus.fr/en/index.php>), as well as for AERES (French evaluation agency for research and higher education, <http://www.aeres-evaluation.com/>).

Currently: Full Professor of Economics, University of Reunion Island, France.
